

In today's fast paced world of smart phones, video games, and TV, we seem to have few opportunities to enjoy the world of music and dance. CCHDM holds weekly and special dances with a live band to provide the setting for experiencing the joy of dances and songs that have been passed down for generations of Americans. By enabling the adults of our community and their children to see just how much fun this can be, we also offer a means for preserving this tradition for future generations.

Friday Family Dances

Friday Family Dances

Sponsored by the Capital City
Historical Dancers and Musicians

Pass the love of dance and movement on to future generations by joining us every Friday evening for a fun filled family night!

Learn International dances from diverse cultures, primarily European and Scandinavian in origin! These dances will be suitable for all ages and skill levels; if you can walk you can dance, so bring the little ones and let them join in the fun. The evening will be centered around teaching and learning, so you can feel comfortable walking in with little to no experience and still have a blast! And with a short beverage break thrown in, all you need to bring is yourself! Mark your calendars for Friday nights and enjoy a multicultural evening of fun and fellowship!

We look forward to dancing with you!
